This is a non-competitive tournament. We want this to be a fun environment for the kids. Each team will play 3 games. A list of rules are enclosed. There are 24 teams participating this year so PLEASE be on time so that everyone's games can stay on schedule.

We will need each league to be responsible for providing two sets (4 total) micro goals. These need to be at the fields by 10:00 AM and taken back after the last game 3:00 PM. Each team will also need to be responsible for trash pick up after their game. There will be garbage cans around. Please make sure they are used.
